REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Member of KCOE Capital Advisors, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of KCOE Capital Advisors, LLC (the "Company") as of March 31, 2019, the related statements of operations, member's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2019, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The supplemental information has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

KCOE CAPITAL ADVISORS, LLC

NOTES TO FINANCIAL STATEMENTS As of and for the Year Ended March 31, 2019

NOTE 1 - Summary of Significant Accounting Policies

Nature of Business

KCOE Capital Advisors, LLC (the Company) was organized as a limited liability company in Kansas on March 28, 2000. The Company became a registered broker dealer under the Securities Exchange Act of 1934 on March 20, 2001 and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA).

The Company is a wholly-owned subsidiary of KCoe Wealth Management, LLC (KCoE Wealth).

Cash

The Company maintains its cash in financial institutions. Balances, at times, may exceed federally insured limits.

Commissions and Fees Receivable

Commissions and fees receivable are unsecured and no allowance for doubtful accounts is considered necessary by management as of March 31, 2019.

Revenue Recognition

Trading commissions. The Company buys and sells securities on behalf of its customers as an agent. Each time a customer enters into a buy or sell transaction, the Company charges a commission. Commissions and related clearing expenses are recorded on the trade date (the date that the Company fills the trade order by finding and contracting with a counterparty and confirms the trade with the customer). The Company believes that the performance obligation is satisfied on the trade date at a point in time because that is when the underlying financial instrument or purchaser is identified, the pricing is agreed upon and the risks and rewards of ownership have been transferred to/from the customer.

Income Taxes

The Company is a single member limited liability company classified as a "disregarded entity" for income tax purposes. Accordingly, these financial statements do not include any provision or liability for income taxes since the income and expenses are reported on the individual income tax returns of the sole member and the applicable income, if any, are paid by the member.

The Company is not currently under examination by any taxing jurisdiction. In the event of any future tax assessments paid by the Company, such amounts and any related penalties and interest shall be reported as a distribution from the Company to the members for financial statement purposes.

Management's Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

KCOE CAPITAL ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended March 31, 2019

NOTE 1 - Summary of Significant Accounting Policies (Cont.)

Recently Issued Accounting Pronouncement

Effective April 1, 2018, the Company adopted the Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") 2014-09, *Revenue from Contracts with Customers (Topic 606)*, and ASU 2015-14, *Revenue from Contracts with Customers (Topic 606): Deferral of Effective Date*, which deferred the effective date of ASU 2014-09 by one year. ASU 2014-09 supersedes the revenue recognition requirements in ASC 605, *Revenue Recognition*, and is based on the principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. It also requires additional disclosure about the nature, amount, timing, and uncertainty of revenue, cash flows arising from customer contracts, including significant judgments and changes in judgments, and assets recognized from costs incurred to obtain or fulfill a contract. The adoption of ASU 2014-09, using the modified retrospective approach, had no material impact on the Company's results of operations, cash flows, or financial position.

NOTE 2 - Related Party Transactions

The Company has an affiliate agreement with KCoe Isom, LLP, majority owner of KCoe Wealth, to pay \$3,200 per month to lease office space, furnishings and equipment and to pay an hourly rate for the use of KCoe Isom, LLP employees for accounting and marketing services.

Shared expenses were \$48,050 for the year ended March 31, 2019. The balance due to KCoe Isom, LLP is \$946 as of March 31, 2019, and is included in accounts payable and accrued expenses on the statement of financial condition. The Company will pay the following expenses directly: audit and legal fees, bank charges, and federal and state registration fees. The balance due from KCoe Wealth was \$1,574 as of March 31, 2019, and is due on demand and non-interest bearing.

NOTE 3 - Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and the related net capital ratio fluctuate on a daily basis. As of March 31, 2019, the Company had net capital of \$149,349 which was \$144,349 in excess of its required net capital of \$5,000. The Company's net capital ratio was .07 to 1 as of March 31, 2019.

No material differences exist between the net capital calculated above and the net capital computed and reported in the Company's March 31, 2019 FOCUS filing. Per Rule 15c3-3 of the Securities and Exchange Commission Uniform Net Capital Rule, the Company is exempt under the (k)(2)(i) exemption.

NOTE 4 - Subsequent Events

The Company has evaluated subsequent events occurring through May 29, 2019, which is the date that the financial statements were available to be issued, for events requiring recording or disclosure in the Company's financial statements.

Exemption Report	2

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Member of KCOE Capital Advisors, LLC:

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) KCOE Capital Advisors, LLC identified the following provision of 17 C.F.R. § 15c3-3(k) under which KCOE Capital Advisors, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(i) (the "exemption provisions") and (2) KCOE Capital Advisors, LLC stated that KCOE Capital Advisors, LLC met the identified exemption provisions throughout the fiscal year ended March 31, 2019, without exception. KCOE Capital Advisors, LLC management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about KCOE Capital Advisors, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

To Whom It May Concern:

KCOE Capital Advisors, LLC claims exemption from SEA Rule 15c-3 under paragraph (k)(2)(i) for the period from April 1, 2018, through March 31, 2019 because we do not hold customer funds or safe keep securities. Paragraph (k)(2)(i) states: "The provisions of this section shall not be applicable to a broker or dealer: (i) Who carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with its activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions between the broker or dealer and its customers through one or more bank accounts, each to be designated as "Special Account for the Exclusive Benefit of Customers". KCOE Capital Advisors, LLC has met the identified exemption provisions above throughout this period without exception.

I, Steve Callahan, swear that, to the best of my knowledge and belief, this Exemption Report is true and correct.

Steve Callahan
